City Seeks CDBG Grant Applications

The City of San Marcos will accept grant applications from April 5 through May 7, 2010, for 2010 Community Development Block Grant (CDBG) projects.

The City receives grant funds from the U.S. Department of Housing and Urban Development for projects sponsored by non-profit organizations and City departments benefiting low-to-moderate income San Marcos residents. The 2010 funding allocation will be \$575,181, an increase of 9% over the previous year's funding.

Eligible projects must satisfy a national objective and be an eligible activity as defined by the CDBG Grant Program. The current priority needs for the City of San Marcos are housing, public facilities and improvements, economic development for job creation, and clearance activities.

Application forms are available in the Development Services - Planning Office on the second floor of the Municipal Building, 630 E. Hopkins Street.

The application may also be sent by e-mail as a Word document or downloaded as a PDF document from the City's website at http://www.sanmarcostx.gov/departments/planning/CDBG/community_development.htm.

For additional information regarding the CDBG program, contact Janis Hendrix, Community Initiatives Administrator, at 512.393.8147 or by e-mail: jhendrix@sanmarcostx.gov
